

## **SPONSOR/EXHIBITOR – POLICIES**

The Southern Nevada Dental Society (SNDS) values and appreciates the support of its corporate partners. We strive to deliver value that is appropriate to sponsorship fees and to work collaboratively with our partners to ensure a positive experience.

SNDS meetings, continuing education programs, and signature events are designed primarily for the benefit of our member dentists. While corporate partners and sponsors are welcomed as valued participants, they do not alter the primary purpose or focus of these events. To set clear expectations for members and sponsors alike, and to protect the interests of all parties, the following policies have been in effect since June 1, 2013:

1. Exhibitors may not share exhibit table space. Any additional company exhibiting or sponsoring an SNDS event must pay the same fee as all other exhibitors or sponsors.
2. Exhibitors may not attend an SNDS event as a visitor, invited guest, or member guest without a prepaid sponsorship or exhibitor registration.
3. SNDS makes every effort to ensure exhibitors and sponsors feel welcome and receive good value for their participation. However, market exclusivity is not guaranteed at member dinner meetings or continuing education courses unless expressly approved in advance by SNDS.
4. Corporate representatives are not eligible for “guest” status at SNDS events. Guest status is limited to dentists, dental staff members, dental students, individuals specifically invited by SNDS, and spouses or significant others of member dentists.
5. All SNDS events are private events held on private property. SNDS reserves the right to remove uninvited individuals, including through security or law enforcement if necessary.
6. A fee schedule for SNDS events will be available and updated prior to each new program year. All exhibitor and sponsorship agreements will adhere to the published fees as outlined on the Sponsor/Exhibitor Participation Form.
7. While reasonable requests will be considered, SNDS does not grant exceptions to its published policies or fees.
8. SNDS does not provide exhibitors or sponsors with member lists, email addresses, phone numbers, mailing addresses, or event attendee lists for any purpose.
9. NDA staff serve as the sole point of contact for all inquiries related to exhibiting or sponsoring SNDS events.

10. Any printed materials intended for distribution to members at an SNDS event must be approved in advance by the NDA Executive Director or the NDA Membership Specialist. Materials may not be distributed directly to members without authorization.
11. All exhibitors must RSVP no later than two days prior to each event. Cancellations for reserved exhibit space must be made at least 48 hours in advance. Refunds are not provided for late cancellations or no-shows.
12. Exhibitors agree not to offer courses or services that compete with or duplicate those provided by SNDS.
13. SNDS policies and fees are firm and non-negotiable.
